DR. SNEHAL KOTAK PALAN
CAMPUS DIRECTOR - OET MANAGED COLLEGES

Dear students,

I extend a warm and heartfelt welcome to all the new undergraduate students joining us at GHG DDN College & CZMGC. This is an exciting new chapter in your academic journey, and we are thrilled to have you as part of our vibrant and dynamic community.

At our institution, we believe in nurturing not only academic excellence but also the growth of personal skills, leadership qualities, and a sense of responsibility. The opportunities that lie ahead will help you build a strong foundation for your future, both professionally and personally.

As undergraduates, you are at an exciting stage of your academic journey. I encourage you to be curious, be open-minded, and be brave. Take risks, challenge yourself, and push beyond your comfort zone. Engage with your peers, participate in extracurricular activities, explore your passions, develop your skills, and discover your strengths.

Our faculty and staff will provide you with the guidance, mentorship, and resources you need to succeed. Our campus is not just a place to learn, but also a space for making lifelong friendships, discovering your passions, and embracing new experiences.

We encourage you to take full advantage of the resources available to you and stay committed to your personal and academic growth.

We are confident that you will contribute to and benefit from the rich traditions of excellence and innovation that define GHG DDN College & CZMGC.

Wishing you all the best as you embark on this exciting journey. Together, let's make the most of this time, build memories, and create success!

From the Desk of Principal CZMGC

Dear Students,

Welcome to **Smt. Chandramaniben Zaverchand Meghji Gosrani BCA & M.Sc. (IT & CA) College**, where academic excellence meets innovation in the field of Information Technology.

At CZMGC, we are dedicated to nurturing a dynamic learning environment that blends strong academic foundations with real-world application. Our BCA and M.Sc. (IT & CA) programs are designed to equip students with the knowledge, skills, and mindset needed to succeed in today's digital world.

Our experienced faculty, with a unique blend of academic and industry expertise, is committed to guiding students toward excellence. We take pride in fostering a collaborative and inclusive campus culture that encourages creativity, critical thinking, and personal growth.

As you embark on this exciting academic journey, rest assured you are stepping into an institution that prepares you for a successful and fulfilling career in IT.

We also emphasize the importance of holistic development by offering various co-curricular activities, industry visits, seminars, and placement support. These initiatives ensure that our students are not only technically proficient but also confident, well-rounded individuals ready to take on global challenges in the ever-evolving IT landscape.

Holistic Development Through Curricular, Co - curricular, and Extra - curricular Engagement.

At CZMGC, we believe in nurturing well-rounded individuals who excel not only academically but also socially, culturally, and professionally. To achieve this, we have structured a dynamic and inclusive environment that integrates **curricular, co-curricular, extra-curricular, and beyond the campus** activities throughout the academic year.

Curricular Activities

Our curriculum is designed in alignment with the latest academic frameworks and industry standards, ensuring students gain strong foundational knowledge and practical skills. Each department follows a robust academic calendar that includes lectures, seminars, workshops, lab sessions, fieldwork, and continuous assessments. We also offer value-added and certificate courses to enhance subject-specific proficiency and employability.

Co - curricular Activities

To bridge the gap between theory and practice, co-curricular activities are interwoven with academics. These include debates, quiz competitions, paper presentations, technical fests, coding contests, literary clubs, and subject-based associations. These platforms help students to explore and showcase their intellectual talents and critical thinking skills.

Extra-curricular Activities

Recognizing the importance of creativity, leadership and physical well-being, we offer a variety of extra-curricular opportunities. Cultural events like Thanganat, Jazbaa, Triumph, Kshitij, Ramzat Gali, Zankar Beats, Sports meets and Various Club Activities are organized regularly through out the academic year. Students actively participate in inter-collegiate and university-level competitions and bring accolades to the institution.

Beyond the Campus

Our commitment to social responsibility and real-world engagement extends beyond the classroom. We encourage students to participate in community service, internships, industrial visits, rural outreach programs, eco-awareness campaigns, and national-level initiatives such as YOUTH FESTIVAL, SPORTS, HACKATHON, NSS, NCC and in many more beyond the campus activities. These experiences cultivate empathy, leadership, and a broader understanding of society.

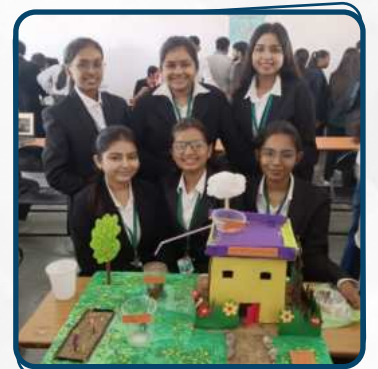

Academic Excellence with a Holistic Touch.

CZMGC fosters a dynamic academic environment that encourages intellectual growth and curiosity. We maintain a friendly and inclusive atmosphere, where every student feels valued and supported. Engaging classroom activities help students think creatively and participate actively. Our aim is to provide holistic development by balancing academics, skills, and values. Students are guided through interactive sessions that build confidence and communication. Classrooms are well-equipped with modern teaching aids and digital tools, creating a conducive learning space. Experienced and friendly mentors are always ready to guide and motivate learners. Regular academic competitions, seminars, and projects keep the learning process vibrant and engaging. We focus on nurturing critical thinking, teamwork, and leadership among students. Our institution is committed to shaping responsible, skilled, and confident individuals ready to face future challenges.

Academic Enrichment - Fostering Holistic Growth through Academia.

CZMGC actively promotes innovation and creativity through initiatives like the IKS (Indian Knowledge System), environmental model-making projects, and IT project showcases. These activities encourage students to apply theoretical concepts to real-world challenges and foster interdisciplinary learning. Through such platforms, students enhance their problem-solving, teamwork, and presentation skills.

Transforming Academia into Real-World Impact

CZMGC Sports - Indoor Courts, Outdoor Glory.

At CZMGC, we firmly believe in the balance between academic achievement and sporting excellence. Our students actively engage in a wide range of indoor sports, including chess, table tennis, badminton, and swimming. In addition, they enthusiastically participate in outdoor sports like football, basketball, cricket, wrestling, and tug of war. Each year, we see remarkable student participation across multiple sporting disciplines. Their dedication and perseverance have led to numerous victories at the University level. Many of our students have gone to represent us at the national level, bringing pride to our institution. Sportsmanship, teamwork, and a competitive spirit are at the heart of our campus culture. Our students benefit from regular practice sessions and expert coaching, ensuring continuous improvement and success. We provide state-of-the-art facilities and unwavering support to nurture and develop sporting talent. At CZMGC, we celebrate the achievements of our student - athletes, recognizing their contributions to both the academic and sporting arenas.

Industrial Visit & Tours - Tech Meets Travel.

Industrial IT visits and educational tours organized by our college play a vital role in bridging the gap between classroom learning and real-world application. These visits offer students firsthand experience of the corporate and technical environment. Students get the opportunity to interact with industry professionals, observe live projects, and understand current technologies and processes. Such exposure enhances their practical knowledge and prepares them for future careers. Along with learning, college tours create lasting memories and foster stronger bonds among classmates. Exploring new places together builds team spirit, confidence, and a sense of independence. These trips are often filled with fun, laughter, and unforgettable moments. For many students, they remain the most cherished part of their college life. Overall, IT visits and college tours enrich both knowledge and personal growth

Seminars & Workshops - Fostering Innovation at CZMGC.

At CZMGC, academic activities are meticulously crafted to align with contemporary pedagogical approaches, fostering the holistic development and industry preparedness of students. Our diverse range of programs, including workshops, seminars, and presentations, ensures that students gain both theoretical knowledge and practical skills, equipping them for success in their careers.

Free Add-on Courses - Add-On Today, Power Up Tomorrow.

At CZMGC, we go beyond academics to support the comprehensive development of our students. Alongside the core curriculum, we offer free add-on courses that focus on essential skills and industry-relevant topics. These courses are carefully crafted to meet the demands of today's professional landscape and address real-world challenges. By participating in these programs, students gain practical knowledge and confidence, often crediting these initiatives as key contributors to their career success and professional growth.

National Cadet Corps (NCC) – CZMGC.

The National Cadet Corps (NCC) unit at CZMGC is proudly affiliated with the 27 Gujarat Battalion, Army Wing. With an authorized strength of 55 Senior Wing (S/W) girl cadets, the unit is dedicated to fostering discipline, leadership, patriotism, and a spirit of adventure among young women. Our cadets actively participate in a range of training and adventure camps that provide holistic exposure to military life and national service.

Camps Attended by Cadets:

1. **Thal Sena Camp (TSC)** - Cadet Jay Dodiya represented our college at the prestigious TSC held in Delhi.
2. **Indian Military Academy(IMA) Dehradun** - SUO Vaibhav Pamrani proudly attended this elite training camp.
3. **All India Trekking Camp (AITC)** - Attended by 3 SD 2 SW cadets at Banaskatha
4. **CATC (Combined Annual Training Camp)** - Attended by 7 SW and 15 SD cadets at Jamnagar SSB
5. **Army Attachment Camp** - Attended by 17 SW and 20 SD cadets at Bhuj and Jamnagar
6. **Parasailing Camp** - Attended by 7 SW and 6 SD cadets at Bhuj (kera)
7. **Ek Bharat Shreshtha Bharat (EBSB) Camp**
8. **Inter-Group Competition** - JUO Yajuvendra Jadeja & Cdt. Khyati Bakrania are selected in IDSSC Pre TSC.

Through these enriching experiences, our NCC cadets not only develop essential life skills but also emerge as confident, disciplined, and responsible citizens ready to contribute to the nation.

Empowered in Uniform, Unstoppable in Life!

Life @CZMGC

Life at CZMG is vibrant and enriching, offering students much more than academic knowledge. The college is deeply committed to the overall development of its students, nurturing them into well-rounded individuals. Alongside the curriculum, students are encouraged to participate in various co-curricular and extracurricular activities that foster essential life skills such as leadership, teamwork, communication, and time management. With a focus on discipline, responsibility, and practical exposure through industrial visits and real-world learning experiences, CZMG creates an environment where students grow intellectually, socially, and emotionally, preparing them to face future challenges confidently and competently.

The end for a new Beginning.....

Smart India Hackathon (SIH)

It's a proud moment that a group of six girl students from CZMGC has been selected to represent the university at the prestigious **Smart India Hackathon (SIH) – National Level Event**, scheduled from **10th to 15th December 2024** at **Vidyavardhaka College of Engineering, Mysuru, Karnataka**.

This was a moment of great pride for our university, as ours was the **only team from Saurashtra University** selected for this national-level competition. This remarkable achievement reflects our students' dedication, talent, and hard work.

Their participation not only marks a significant milestone in their academic journey but also presents an incredible opportunity to bring **laurels to Saurashtra University** on a national platform.

Proud members of the **BYTESPACE** team

Toarchbearers - Inspiring, Leading, Representing.

Our student **Dhruvrajsinh Padhiyaar** has earned the prestigious opportunity to present his research paper at the **National Level Conference VIVIBHA 2024**, organised by **Bhartiya Shikshan Mandal** at **Delhi-Gurgaon**. This remarkable achievement reflects the academic excellence and research-oriented spirit nurtured at CZMGC. Our talented Boys' team has advanced to the State Level Grand Finale of the **HACKATHON** Coding Competition, held at Gandhinagar. Their innovative skills and teamwork brought laurels to the college and demonstrated our commitment to nurturing future-ready IT professionals. These accomplishments stand as a testament to our students' dedication, our faculty's mentorship, and the vibrant academic culture of CZMGC.

Mr. Mayur Jagatiya
Principal Engineer, Geazy
Batch: 2012-2015

From a curious student at Smt. CZMG BCA College to a Principal Engineer at Geazy and Tech Lead at Tapclassifieds, my journey has been shaped by the strong foundation laid during my college years. CZMGC was more than just academics; it was where I discovered my passion, discipline, and confidence. The environment fostered learning, growth, and resilience - qualities I still rely on today. Every challenge I tackle and every project I lead is a testament to the principles and mentorship I received at CZMG. The faculty's guidance went beyond textbooks, offering mentorship that left a lasting impact. I also thank the management for creating an ecosystem that nurtured curiosity and creativity. As I work on building impactful technologies today, I often reflect on how pivotal those college years were. Truly, CZMG was the launchpad of my career, and I'm grateful for the roots it gave me.

I'm Nisha Nagpal, and completing both my BCA and MSc IT at this college has been an incredibly fulfilling experience. The faculty here is not only supportive but also very knowledgeable, always blending theoretical concepts with practical applications. The curriculum is current and meets industry standards, which helped me stay ahead. The modern computer lab was a major plus, with fast internet, up-to-date software, and plenty of systems to ensure coding and project work were smooth and hassle-free. Throughout my time here, frequent workshops and seminars expanded my understanding and kept me engaged. What really stood out were the placement drives, which boosted my confidence and prepared me for professional challenges. These experiences honed my skills and gave me the edge I needed to step into the IT industry. I'm proud to be an alumna of this wonderful college and highly recommend it to anyone who wants to build a strong foundation in computer science or IT.

Ms. Nisha Nagpal
Comp. Teacher, Haria School
Batch: 2017-2020

Mr. Sagar Chovatiya
Founder, Just Digital Web
Batch - 2012 to 2015

During my time at college, I gained invaluable experience through a blend of hands-on learning and rigorous coursework. My studies encompassed diverse areas, from programming and networking to databases and software development. The college fostered an environment that emphasized both theoretical knowledge and real-world applications, pushing us to solve actual technology challenges through teamwork and collaboration. Currently, I am the founder of Just Digital Web, where we specialize in developing innovative apps for Android and iOS platforms. Beyond app development, our company actively engages in monetization programs offered by major players like Facebook and Google. Our focus is on implementing effective ad strategies on mobile apps, blogs, websites, and other digital spaces to generate revenue through advertising. This journey from college to entrepreneurship has been incredibly rewarding, and I remain passionate about blending technical expertise with creative solutions to deliver impactful digital experiences.

I am proud to be a CZMGian, and I look back at my time at CZMG BCA College with a lot of gratitude. This college gave me not only knowledge but also confidence and many chances to lead. From being a regular student to becoming Head Boy and winning the Best Coordinator Award, every experience was special. The college helped me grow beyond just academics. It taught me practical and life skills that I will always carry with me. CZMG felt like a second home to me. I found true friends, great mentors, and a lot of support. The teachers were always there for me, guiding me and believing in me, even when I wasn't sure about myself. Their constant support made all the difference. To all my friends, mentors, and everyone at CZMG - thank you for being such an important part of my journey.

Mr. Darshan Rachchh

Software Engineer Intern

Tableflow Tech Private Limited

Batch - 2020 to 2023

My BCA journey began during the pandemic, logging into online classes and dreaming of the future. With immense support and guidance, I gained the confidence to step into corporate boardrooms. Being chosen as Head Girl was a turning point, boosting my leadership skills. When campus life resumed, I fully embraced it—balancing academics with stage events, coding with communication, and learning with leadership. I discovered my passion for app development and even launched an app on the Google Play Store during my MCA. Every concept learned and every challenge faced helped me grow as a person. This strong foundation gave me the confidence to crack my placement and receive praise from the CEO during my final presentation. To future BCA students: explore everything. Take part in events, write code, and don't be afraid to fail. Marks are important, but the journey and experiences are even more valuable. CZMG BCA College has truly been my second home, and I am forever grateful.

Batch: 2021 - 2024

I am truly proud to be a student of this esteemed institution. My time at the college has been an incredibly enriching experience, both academically and personally. The quality of education provided here is exceptional, and the supportive and knowledgeable faculty have played a significant role in shaping my growth and learning. Beyond academics, the college has given me the opportunity to build a strong professional network and form meaningful connections with peers and mentors. The exposure, guidance, and encouragement I received have not only enhanced my knowledge but also laid a strong foundation for my career. This institution has been a turning point in my journey, and I will always be grateful for the experiences and lessons I've gained here.

CZMGC Placement Cell - Crafting Careers with Confidence

CZMGC stands out as a leader in the field of student placements. We take pride in being the best undergraduate college in the region for providing excellent placement opportunities to undergraduate students. Every year, an average of 15 or more students secure placements through our dedicated college placement program. We maintain strong industry connections and continuously strive to bridge the gap between academics and professional careers. Our placement cell works tirelessly to prepare students with the necessary skills and exposure to meet industry standards. As a result, our graduates consistently embark on promising career paths right after their studies. Every year, we successfully conduct placement drives, and we are confident that the number of placements will continue to grow in the coming years, opening even more doors for our students.

Admission Reporting Guidelines for Provisionally Selected Students

Offer Letter & Admission Confirmation Process

- Students whose names appear in the Provisional Admission Merit List will be able to view admission offers through the GCAS Portal.

To proceed:

- Visit the official [GCAS Portal](#).
- Log in using your registered credentials.
- Navigate to the “Application Offer Information” section on the Dashboard.
- View the list of colleges where admission offers have been generated.
- To secure admission, the student must:
 - Select the preferred college from the offer list.
 - Confirm admission by entering the OTP sent to the registered mobile number and email ID.
 - After successful OTP verification, download the Offer Letter.

⚠ Important Notices:

- If a student receives an offer and does not confirm admission within the validity period, they will not be eligible for admission to the same college in any subsequent rounds.
- If a student has not received any offer, they are advised to wait for the next round of allotments. They should not confirm admission elsewhere, as this may affect their eligibility in the GCAS system.

College Reporting Instructions

- After downloading and printing the offer letter, students must report in person to the College Administration Office with:
 - Original documents and self-attested photocopies arranged in the specified order.
 - A cheque for the applicable college fees.

List of Required Documents (Originals + Photocopies):

- | | |
|--------------------------------------------|---------------------------------------------------------------------------|

Additional Note:

- During the admission confirmation process and fee submission, an OTP (One-Time Password) will be sent to the mobile number and email ID registered on the GCAS Portal.
- Students must carry the registered mobile phone at the time of reporting for successful OTP verification.

With Eternal Love and Remembrance

Late Shri. Vyomesh Vaidya 1953 - 2024

A heartfelt tribute to a visionary soul, the guiding light of our trust Res. Vyomesh Vaidya Sir, whose pioneering spirit laid the foundation we stand on today. His gentle demeanor, soft-spoken nature, and compassionate heart made him a true father figure to all. With unwavering dedication and quiet strength, he touched countless lives. His presence will be deeply missed, but his legacy will forever inspire.

Late Dr. Garima Sharma Dave 1985 - 2025

A heartfelt Shraddhanjali to a truly beautiful soul Dr. Garima Dave, a soft-spoken, kind-hearted, and ever-smiling lady doctor, who brought warmth wherever she went. Her gentle voice and compassionate care comforted countless lives, making healing feel like hope. With her bubbly nature and sweet demeanor, she lit up every room with grace and positivity. She was not just a doctor but a caregiver in the truest sense - treating with love, listening with patience, and serving with heart. Her selfless dedication and genuine concern for others left a lasting imprint. The void her absence has created is immense, yet her memory remains a source of strength. We pray her soul finds eternal peace, and her light continues to shine in every life she touched.

Forever in Our Hearts

Ms.Sandhya Kamdiya
1990 - 2024

नैनं छिन्दन्ति शस्त्राणि नैनं दहति पावकः ।
न चैनं क्लेदयन्त्यापो न शोषयति मारुतः ॥

We pay our heartfelt **Shraddhanjali** to a remarkable soul—a dear student and colleague Ms.Sandhya Kamdiya, whose presence was a beautiful blend of talent, kindness, and zest for life. A skilful and dedicated graphic designer, her creative brilliance left an indelible mark on every project she touched. Always enthusiastic, ever-adventurous and nature loving person. She always approached challenges with a fearless spirit and a smile that inspired those around her. Her politeness and humility made her deeply respected and loved by all. With a heart full of joy and energy, she brought life to every room she entered. Her sudden absence has left a void that words cannot fill.

May her vibrant spirit continue to inspire us and may her soul find eternal peace.
