Being a part Shri G.H.Gosrani Commerce & Shri D.D. Nagada BBA College ,I always feel privileged and proud. Apart from the excellent academic experiences, I also reaped benefits of being a part of multi-cultural student body. I continuously learned how to share ideas with people from different backgrounds and perspectives. The intensive and extensive interactions with people from different states and cultures equipped me with better interpersonal skills. Including the outstanding library & computing services, interesting club activities, various events with the local community, and many more. To sum up I will say that this institution is much beyond just an "Institution"...It actually denotes a "Culture"...Culture of excellence, empowerment, and enrichment.
