## Message From The **DIRECTOR**

The Story of Shri GHG DDN college is a story of well begun and continuing to do better every year. I believe that today's youngsters are a beacon of hope and a rich reservoir of talent and innovative ideas. We as educators must learn to tap that receptacle of talent. The activities conducted in our college bear evidence to the rich tapestry of curricular and extra-curricular, talent platform, provided to the students, that characterizes Shri GHG DDN.

We endeavour to develop high level cognitive and non-cognitive skills such as problem-solving, critical thinking, creativity, teamwork, and communication skills through our academic curriculum. The success of our institution is because the academicians put in a lot of passion into their work and the students by their active participation reciprocate the effort by bringing laurels to the college.

I express my appreciation to the dedication of our faculty members and the cooperation of our students in our journey towards excellence.
